This is the second time; Rubine has partnered with a Swiss company to develop a water heater. As it is our series 10 of instant water heaters so we want it to be PERFECT in every aspect. The design must be different from all conventional models (see it to believe it), trendy, and eye-catching with its elegant style. Next, uncompromising quality like any Swiss product and inverter DC pump to save energy. With built-in electricity leakage safety, independent thermal cut-off, and high-pressure protection; this heater is just perfect for all. Not yet, we believe your kids will like to play with the innovative air-jet hand and rain shower. Beyond the good looks, P10 offers best-in-class features that enhance your shower experience.

Shower heater
An integrated shower heating system with rain & hand shower.

Longer Arm
Shower arm is longer and can swivel in 180 deg position.

DC Inverter Booster Pump
Low noise and save energy, no more low-pressure issue.

ELSD (Earth Leakage Safety Device)
An additional safety feature that shuts down the device if there is electricity leakage.

Air Jet 360
A sensational Swiss technology on the mixture of air & water to improve the spray force and coverage.

Fibre-Reinforced Tank
It is energy-efficient, burst resistant, hygienic, and avoids limestone.

Dual Functions
A combo function that can shower 2 persons at the same time

5-years Warranty
Inner tank & heating element

Product Information

Model	P10
Type of Pump	DC
Rated Power	3300W - 3600W
Rated Voltage	220-230V
Rated Frequency	50Hz
Rated Current	15A
Min. Working Pressure	0.03MPa
Max. Working Pressure	0.3MPa
Min. Flow Rate	2L/min
Net Weight	4.5kg
Colour	Sliver Chrome or Matt Black
Safety Mark	210301-11
Waterproof IP Rating	IP25
No. of spray	1 (Overhead), 1 (Handshower)
Package Included	Shower Heater + Handshower set + Mounting Hardware
Warranty (T&C's Apply)	1 Year Parts + Service / 5 Years Heating Element and Inner Tank
