Introducing the Rubine DECKOS series rain shower column – a revolution in shower design that offers unparalleled convenience and style. One of the stand-out features is it equips with a bath shelf on the mixer, this is perfect for those who want to maximize their bathroom space without sacrificing functionality. It is 100% made of brass so it can withstand any rough use or heavy load, and measures 25x11cm which is spacious enough for a bottle of shower gel and shampoo. The spray nozzles of the hand and head shower are made of high-quality soft silicone that provides a luxurious and gentle shower experience, also it is easy to clean and more durable.

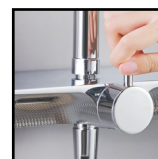

Designed for either exposed or concealed pipe installation, the DECKOS U2 features a sleek and elegant round design and the F4 boasts a bold and modern square design. They come in three stylish colors – glossy chrome, matte black, and trendy gunmetal – all of which feature an electroplated surface finish that will not peel off or fade over time. Last but not least, it also features a stunning waterfall spout that adds an extra touch of luxury to your shower experience.

No drip from overhead shower
The water from overhead shower will stop immediately with no drip when turn off.

Easy to maintain
Durable and easy to clean silicone nozzles.

Patented
