

Rain

Massage

Massage + Rain

Full black rainshower

Enjoy the feeling of a natural rain shower with the advanced technology of our new BOW 3388 instant water heater – the inverter DC pump series. This sleek design low noise DC pump water heater is the next big thing in the water heating industry; besides saving 55% of energy cost, it is also equipped with a Tri-way diverter that enables you to collect warm water for your baby bathtub or handwash clothes. It comes in black with matching full black rain shower and 3 functions hand shower. Never need to complain about low water pressure again, we got everything you need to make a shower feel every bit as indulgent as the world's best bath.

Full black Tri-way diverter
